# ABOUT COMPANY

In 2017, **Zai Systems (SMC-PVT) Ltd** was founded. With over 7 years of local and international expertise, our business has commercial operations in IT & telecom - consultation, CRMS, HRMS, E-Commerce Management Systems, ERPMS, data center solutions, Operations & Maintenance, system integration, and end-to-end solutions.

**Zai Systems (SMC-PVT) Ltd** maintains a network of strategic partnerships with top-tier manufacturers, technology companies, and system integrators on a worldwide scale.

We have put together a team of qualified professionals and specialists to offer complete IT services and solutions in accordance with each client's specific needs. We pledge to offer the best ICT products and services within agreed-upon constraints.

**Our goals** is to offer the most elite levels of IT professional services to significant corporations, governments, and organizations in our markets.

The **highest standard** of quality is our primary commitment in all we do. We prioritize customer satisfaction over obtaining irrational financial gains from them while managing our client relationships.

Our whole technical team has been trained in both sales and support-related tasks.

# ABOUT CEO:

An entrepreneurial mindset with outstanding organizational and leadership skills. The CEO of **Zai Systems ( SMC-PVT )Ltd** Owais Ahmad Khan oversees all operations and business activities to produce the desired results and is consistent with the overall strategy and mission.
